### Speaker: Mr. Henry C. K. Ma

As an innovator, engineer, and marketer, Mr. Ma has around 20 years of industry working experience in a few global science companies (such as GE, DuPont, and 3M) as business leader leading cross-functional teams in Greater China and Asia Pacific for market-driven innovation and new product development across different industries. Prior to his current role as the Senior Programme Director of HKU SPACE, he was the CMO (Technology & Incubation) of HKUST and the first director – Materials Innovation of FOSSIL Group (Listed in USA).

Academically, Mr. Ma holds an MBA degree from the University of Cambridge and is pursuing his doctoral degree at the University of Hong Kong with research focus on cross-sector (university-industry- government) collaboration, market driven innovation, knowledge transfer, technology commercialization and regional innovation systems in Hong Kong and Mainland China.
