Lecturer: Dr Alan Miller, PhD (CUHK)

Dr Alan is an accomplished, technically competent board-level and operations executive with over 20 years' experience and extensive international exposure spanning several dozen countries. He is Managing Director of Liquate, an engineering consultancy specializing in disruptive technologies. He got PhD degree in Biomedical Engineering from Chinese University of Hong Kong in 1998. He is both Chartered Engineer and Chartered Manager, is able to develop and implant strategic, operational, financial and risk management plans with realistic optimism, subservience to purpose, and the ability to find order in chaos.
