## Important Information for Parents/Guardians of Students Who Are Under the Age of 18 Years at the Time of Admission to the School

### 1. Student minors and parental responsibility

Students who are under the age of 18 years at the time of admission to the School (student minors) are not adults from legal and social perspectives. While the School, in appropriate circumstances, will give due consideration and take necessary measures in handling affairs in regard to student minors, it should be noted that parental responsibility remains with the parents/guardians. The School will not act in loco parentis (i.e. will not assume parental responsibility).

### 2. Academic and social life in the School

Despite their minor status, student minors attending courses at HKU SPACE Summer School 2026 may:

- have access to a variety of information and materials (including those normally suitable for adults only) in a free academic environment;
- participate or engage (pursuant to a course requirement) in academic, training, social and other activities (e.g. field trips, tours within or outside Hong Kong, visits to organisations) which may involve various kinds of risks; and
- need to receive medical treatments, psychological treatments or counseling services, or undergo medical operations, in case of emergency.

### 3. Personal Data (Privacy) Ordinance

Student minors are protected by the Personal Data (Privacy) Ordinance. In this respect, parents/guardians have no automatic right to access the personal data of student minors. It is the normal practice of the School to correspond directly with students but not their parents/guardians. However, the School acknowledges that it is necessary to maintain updated contact details of the parents/guardians of student minors, in case of emergency. If appropriate, parents/guardians may also provide relevant information to the School in the interests of student minors.

Student minors are given a choice whether to receive the School's latest updates and promotional materials, and whether to stay connected with the School as an alumnus.

### 4. Consent

The parent/guardian of a student who is under the age of 18 years at the time of admission to the School is required to submit the completed and signed copy of the consent form (either English or Chinese version). Without the required consent form, the School may have difficulty in arranging some of the teaching and learning activities for a student minor, and therefore, his or her studies may be affected.

Note: In the event of a discrepancy between the English and Chinese versions, the English version shall prevail.
