Ms. Lee Nga Ching Tracy

- BSc Business and Management Graduate

“ It feels amazing to know that I am being awarded with First Class Honours by the University of London.

Taking the opportunity I would like to say a big thank you to HKU SPACE, all the lecturers and fellow students for all the support they had given throughout my 3-year study journey. I wouldn't be able to achieve what I have now without their help and encouragement.

While striving to get a balance between my day-time job, my study and personal life, I am so grateful to get to know some very good friends here. All the laughter we've shared makes these 3-year a truly wonderful memory of mine. Once again, thank you to HKU SPACE and look forward to studying here again in future.

”

Ms. Leung Kwan

- BSc Accounting and Finance Graduate
with First Class Honours in 2017

“ Striking a balance between studying a part-time degree and working is not easy. I must get well-prepared for the upcoming challenges, foreseeable and unforeseeable ones. It is worth putting in all the hard work, especially when you realize how far you have gone from day one.

I would like to express profound gratitude to my family, friends and the most crucial ones for my study- lecturers from HKU SPACE for their support and encouragement which made me never give up during the hard time in my study. I truly appreciate their attitude, patience, and passion and trust that they'll keep it up. I'm glad that I've made this wise choice.

”

“ Further study is not just about gaining knowledge, it also opens a pathway to realizing one's dreams. I have to sincerely thank all HKU SPACE and University of London teachers for their guidance and support. They were always there to help me and clarify things when I was confused or struggling with some abstract concept.
