Notes to Non-local Applicants

To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants issued with a valid employment visa also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements. Admission to a HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are generally not considered by the Immigration Department for visa purposes except for self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU System through HKU SPACE.

Non-Local Higher and Professional Education (Regulation) Ordinance

These are exempted courses under the Non-local Higher and Professional Education (Regulation) Ordinance. It is a matter of discretion for individual employers to recognise any qualification to which these courses may lead.

I have noted, understood and agree to the above notes.

Once accepted onto this programme, I also agree to accept and abide by the terms and conditions stated in this brochure and in the rules and Regulations of this programme and the University.
