### ABOUT UoL LLB

#### WHAT WILL YOU GET?

**On successful completion, you will obtain :**

- 1) an LLB degree awarded by the University of London and**
- 2) a separate Statement of Attendance issued by HKU SPACE.**

The University of London LLB was the first English law degree offered since the 1890s. It is also the first law degree provided in Hong Kong, having been introduced by HKU SPACE in 1963/4, making it the inaugural program of HKU SPACE.

For over 130 years, UoL LLB is internationally accepted as a prerequisite academic qualification to qualify as a lawyer in many Common Law jurisdictions, including Hong Kong and England and Wales, Australia, the United States and Canada.

Upon graduation, you'll become part of our global alumni network of lawyers, solicitors, barristers, and judges.

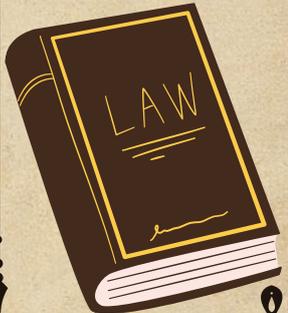

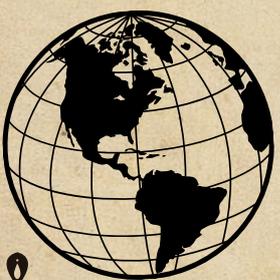

#### 'Gold Standard' for Law degrees

UoL LLB is developed and directed by academics from six outstanding and prestigious law schools: University College London (UCL), King's College London (KCL), Queen Mary, Birkbeck, London School of Economics and Political Science (LSE), and School of Oriental and African Studies (SOAS), known collectively as the Laws Consortium.

Therefore, the UoL LLB is internationally regarded as the 'Gold Standard' for law degrees, which is highly respected and desired by the legal industry and employers worldwide.

# QUALIFY AS LAWYER AROUND THE WORLD

## Hong Kong PCLL

As the very first formal legal training in Hong Kong dated back to 1960s, the University of London LLB has long been accepted for the purpose of PCLL admission and is among the most welcomed qualifications. Since the LLB is regarded as a non-local legal qualification, holders will need to take PCLL admission conversion exams to obtain full eligibility. But following HKU SPACE study plan and with HKU SPACE own prep courses for the conversion exams, London students studying with HKU SPACE are always best supported.

### Admission in Other Jurisdictions

With the London LLB, many HKU SPACE alumni have successfully been admitted to practice in Canada, California, New York, etc. HKU SPACE has been providing numerous testimonies to professional bodies in different jurisdictions for our alumni on their study and attendance record of LLB courses.

## England and Wales

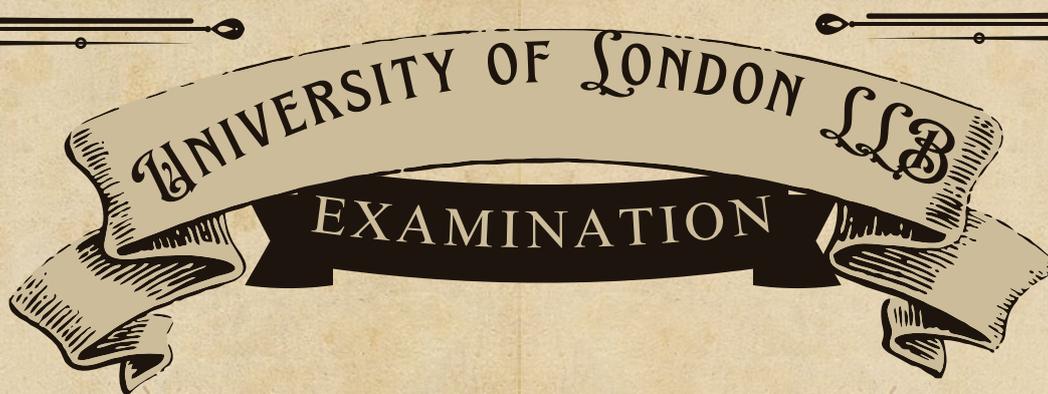

### SQE

The Solicitors Qualifying Examination (SQE) opens to degree holders in any subject intending to be qualified as solicitors. But a prestigious formal law degree still puts you in a better position and is favored by law firms. Our LLB will give you a solid foundation to pass the SQE assessments. SQE includes two assessments: SQE1 and SQE2. SQE1 assesses functioning legal knowledge (FLK). Most of the FLK areas are covered in the LLB curriculum.

## England and Wales

### Bar Training

You still need a qualifying law degree (minimum 2:2 classification) or a non-law degree plus a Graduate Diploma in Law to fulfill the academic stage if you want to become a barrister. Your law degree must include seven foundations of legal knowledge which are all covered in the LLB curriculum.

## TAKE ADVANTAGE OF PCLL CONVERSION EXAMS

- **Open Book Exam**
- **Only Pass/Fail**
- **Only Answer 1 - 2 Question (s) per exam**
- **You can take any number of attempts any time (no record) before your admission to PCLL**
- **Conversion exam results do not have any time limit**

## UNIVERSITY OF LONDON EXAMINATIONS

There are 2 examination periods in each academic year - May/June and October. In May/June exam, students can sit up to 4 examinations in their first year of study. In October exam, students can sit a maximum of 2 examinations.

The examination syllabus of each year is set out by the University of London in their Law Prospectus. The details will also be given to you when you have the offer from the LLB. Normally, registration for local examinations in Hong Kong shall be done via the Hong Kong Examinations and Assessment Authority which is responsible for administering the University of London examinations.

## MODULES/ CREDITS RECOGNITION AND TRANSFER

Students may apply to transfer their studies to London, including possible direct entry to Year 2 or even Year 3 of full-time LLB programmes at the University of London, relying on credits earned from studying via HKU SPACE for the University of London Worldwide LLB.

## VISA

HKU SPACE Preparation Courses are intended for those having the right to live and study in HK and it is the responsibility of applicants to determine their eligibility to study. Please refer to "Notes to Non-local Applicants" on the application for enrolment form.

## COURSE MATERIALS, ONLINE SUPPORT AND LIBRARY ACCESS

University of London will provide Module Guides, statute books (where provided), UOL Student Portal Virtual Learning Environment (VLE) and the Online Library. It provides free access to professional legal databases, etc.

HKU SPACE UK visiting lecturers will provide supplementary materials, including lecture outlines, handouts, and legal updates. Students on HKU SPACE Preparation Courses will have access to the School's online learning platform (SOUL). Each student will be provided HKU Library Reader's Card, which may be upgraded to Borrower's Card upon paying an extra fee.

## Notes to Non-local Applicants

To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, EXCEPT for those admitted to Hong Kong as dependants, or on a Permit for Proceeding to Hong Kong or Macao (also known as “One-way Permit”), or under any of the schemes indicated in paragraph (I) below, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants who are issued with a valid employment visa or training visa, or members of the Consular Corps, or foreign domestic helpers, or admitted under any of schemes listed in paragraph (II) below, also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements. Admission to an HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are not considered by the Immigration Department for student visa purposes except for self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU system through HKU SPACE. For non-local applicants for all courses/programmes, as their visa/entry permit status may be subject to changes from time to time, and if they select to apply in person, are required to have their H.K.I.D. (if issued) and passport/visa documents photocopied by learning centre staff to facilitate verification. Non-local applicants applying by post are required to attach a copy of their H.K.I.D. (if issued) and passport/visa documents.

## Academic Certificate Verification Platform at HKU SPACE

The HKU School of Professional and Continuing Education (HKU SPACE) utilizes the Academic Certificate Verification Platform (ACVP) implemented and operated by the Joint Universities Computer Centre (JUCC) as a secure system for managing, verifying, and sharing academic credentials. The ACVP uses blockchain technology and enhances the reliability and efficiency of academic credential verification. Sharing of academic credentials with third parties such as employers and education institutions can be authorised by graduates and done simply through a link, a QR code, or a PDF file. At the present stage, ACVP is available for the sharing of award parchments by graduates who complete a part-time, locally accredited, postsecondary (i.e. QF Level 4 and above) programme awarded within the HKU System through HKU SPACE from 1 January 2026 or thereafter. Students may, however, indicate the wish to not participate in the ACVP by signing an “Opt-Out Statement”. The “Opt-Out Statement” document is downloadable at the School Website (<https://hkuspace.hku.hk/teaching-and-learning/academic-certificate-verification-platform>).
