Business Education @ **HKUSPACE**

ABOUT THE UNIVERSITY

Plymouth is a dynamic and distinctive university that strives for the highest quality in all that it does. It is a world class research institution with genuine clusters of research across areas as diverse as marine science and engineering, medicine, robotics and psychology - all supported by investment in leading facilities.

With more than 26,000 students benefitting from a Plymouth education, the University has a strong track record in teaching excellence and

has one of the highest numbers of National Teaching Fellows of any UK university.

Plymouth is a truly global university, with a vibrant international student base and with partnerships in 30 countries. It continues to grow in stature and influence - a twice winner of the Queen's Anniversary Prize for Higher Education, the first modern university in the UK to launch its own medical and dental school and the only university to be awarded the Social Enterprise Mark.

ABOUT THE PROGRAMME

The Bachelor of Science (Honours) Business Management programme aims to ensure that students develop a broad understanding of the diverse, complex and dynamic nature of management. The programme curriculum is both international and practical in its content.

Students will acquire management skills as well as intellectual capabilities that will enable them to perform effectively as managers, thus enhancing their employability and facilitating their careers in management.
