Business Education @ **HKUSPACE**

ABOUT THE PROGRAMME

These 3 programmes are structurally designed for those who wish to pursue a higher level of academic qualification and professional recognition in the logistics and related areas, in order to improve their career advancement prospect in the industry. These programmes are also designed for

professionals and students to acquire partial exemptions from the Professional Qualification Examination Syllabus of the Chartered Institute of Logistics and Transport (CILT) Hong Kong.

Objectives

These programmes aim to provide students with comprehensive understanding of the business environment in logistics industry. They also aim to equip graduates with basic managerial

skills, enabling students to explore new business opportunities and make sensible decisions in business logistics management.

Assessment, Award and Articulation Route

Each module comprises continuous assessment and a final examination.

Upon successful completion of the programme, students will be awarded Professional Diploma in Business Logistics Management, Professional Diploma in Business Logistics Management (Smart Procurement) or Professional Diploma in Business Logistics Management (China e-Business) respectively within the HKU system through HKU SPACE.

Graduates may apply for admission to the following programmes offered by the Plymouth University, UK, in collaboration with HKU SPACE:
