## Master of Midwifery Studies
Programme Code: HS155A

The University of Newcastle (Australia)
Application Code: 1770-HS155A

NCR[1]

2975 5688 | nursing.health@hkuspace.hku.hk

This programme is offered by the School of Nursing and Midwifery at the University of Newcastle in partnership with HKU SPACE. It is designed to meet the general educational needs of registered midwives and nurses seeking to enhance their careers in the areas of clinical practice, education, management, and research. The programme focuses on the well-being of the childbearing woman, her baby and her family, and the role of the professional as part of an extensive, multi-disciplinary and collaborative team.

**R** Applicants must have:
1) either registration as a midwife with one year clinical experience or registration as a general nurse with two years clinical experience; AND
2) a Bachelor of Nursing or other related fields

All applications for admission will be assessed on a case by case basis.

Applicants must satisfy the English Language Proficiency requirements of the University of Newcastle. They will provide certified copies of one of the following documents:
- International English Language Testing System (IELTS) results, the minimum score is 6; or Test of English as a Foreign Language (TOEFL) results; the minimum score is 60-78.
- Evidence of previous studies undertaken overseas in an English Speaking country
- Evidence of previous studies undertaken in English in a non-English speaking country, and confirmation from institution that studies were conducted and examined solely in the English language.

**$** AUD$4,390 per course* (for 2019 intake)
Total AUD$35,120 for all 8 courses*
* All fees are subject to change without prior notice
Application Fee: HK$500 (Non-refundable)

**D** 24 months | English
