Preparatory Courses for University of London (Queen Mary) Global MBA
Programme Code: SC486A

University of London, UK NCR1
Application Code: 1850-SC486A

2867 8318

ice@hkuspace.hku.hk / yuki.man@hkuspace.hku.hk

This MBA (Master of Business Administration) preparatory course aims to provide tuition support to students for studying the Global MBA, University of London (UoL).

R HKU SPACE Preparatory Courses requirement:
No specific requirement. Students are welcome to enroll.

University of London Global MBA requirement:
For direct access (Entry Route 1), students will need the following:
- A second-class honours bachelor degree or equivalent from an acceptable institution.
- Three years' work experience in a managerial role (within the past five years).

UOL accept qualifications from around the world. If students have an appropriate professional award rather than a degree, UOL will consider this on an individual basis.

If students meet only ONE of these requirements, students can apply to join the programme via Entry Route 2.

For students' application to be considered, students must have one of the following:
- A second-class honours bachelor's degree in a relevant field or equivalent from an acceptable institution; or
- Three years' work experience in a managerial role (within the past five years).

Students' application will be reviewed on an individual basis.

Under this route, students are strongly advised to complete MBA Preparation Course (about 125 hours of study), and then take only one module (preferably core) in your first study session and one module in your second session. This will help students develop the necessary skills to complete the programme successfully.

References and Evidence
Students will need to submit at least one reference and some documentary evidence as part of your application. This will differ depending on students' Entry Route and which criteria students meet. Students' documents can be uploaded with online application or students can email them at a later date.

English Language Requirements
Students need a high standard of English to study this programme. Students will meet UOL language requirements if students have achieved one of the following within the past three years:
- IELTS: at least 6.5 overall, with 6.0 in the written test.
- TOEFL iBT: at least 92 overall, with 22+ in reading and writing and 20+ in speaking and listening.
- Pearson Test (Academic): at least 59 overall, with 59+ in reading and writing and 54+ in speaking and listening.
- Cambridge Certificate of Proficiency in English.
- Cambridge Certificate of Advanced English (grade C or above).

Alternatively, students may satisfy the language requirements if students have at least 18 months of education or work experience conducted in English.

$ HK$8,800 per module (You will also need to budget for Course Fee for University of London)

Certificate for Module (Preparatory Course - Accounting, Finance and Economics)
Programme Code: MS113A

Application Code: 1850-MS113A

2867 8318

ice@hkuspace.hku.hk / yuki.man@hkuspace.hku.hk

This programme enables students to have a better understanding of the performance of businesses, and the decisions and problems they face. No prior knowledge of accounting is assumed, students learn how financial information is prepared and communicated and how it is used as an effective tool for decision making and control. Students without economic background are also able to learn basic concepts and models in Economics and implement them in a business framework and an interdisciplinary working environment.

R An applicant must have:
1. a second-class honours bachelor's degree or equivalent from an acceptable institution; OR
2. three years' work experience in a managerial role (within the past five years).

Certificate for Module (Preparatory Course - Human Resource Management and Leadership)
Programme Code: MS114A

Application Code: 1850-MS114A

2867 8318

ice@hkuspace.hku.hk / yuki.man@hkuspace.hku.hk

This programme provides an understanding of key theoretical and practical issues relating to organisational behaviour and human resource management. Human resource knowledge from this programme can be applied to different external contexts impinging upon organisations around the globe. This programme also prepares students for strategic leadership and transformational roles in organisations. It explores leadership as a relational and global phenomenon and describes, contrasts, and explains a variety of leadership theories. Students will then learn to analyse their personal leadership styles and develop their leadership philosophies.

R An applicant must have:
1. a second-class honours bachelor's degree or equivalent from an acceptable institution; OR
2. three years' work experience in a managerial role (within the past five years).

LEGO® Serious Play® is a good tool to help generate ideas. The bricks create a playful mindset. It is a systematic method that enables people to explore ideas, solve problems and achieve objectives. This 1-day workshop is designed for anyone who needs some guidance on developing an idea or taking an existing idea to the next level. The four-phase LEGO® Serious Play® methodology will guide participants in a state of flow through a series of structured steps to think, to build, to tell a story, and to reflect and refine, and to develop a deeper understanding on the issue at hand.

Who should attend
- Team Leaders from all disciplines and levels who need
  i. To generate ideas;
  ii. To address challenges that cannot be addressed by conventional thinking alone;
  iii. To improve creative thinking - unleashing personal creativity and that of others;
  iv. To augment strong logical thinking skills with the ability to think creatively; and
  v. To add to existing management or leadership development programmes.
