Master of Midwifery Studies
Programme Code: HS155A

The University of Newcastle (Australia)
Application Code: 1845-HS155A

2975 5688 | nursing.health@hkuspace.hku.hk

This programme is offered by the School of Nursing and Midwifery at the University of Newcastle in partnership with HKU SPACE. It is designed to meet the general educational needs of registered midwives and nurses seeking to enhance their careers in the areas of clinical practice, education, management, and research. The programme focuses on the well-being of the childbearing woman, her baby and her family, and the role of the professional as part of an extensive, multi-disciplinary and collaborative team.

R Applicants must have:
1) either registration as a midwife with one year clinical experience or registration as a general nurse with two years clinical experience; AND
2) a Bachelor of Nursing or other related fields.

All applications for admission will be assessed on a case by case basis.
Applicants must satisfy the English Language Proficiency requirements of the University of Newcastle. They will provide certified copies of one of the following documents:
- International English Language Testing System (IELTS) results, the minimum score is 6; or Test of English as a Foreign Language (TOEFL) results; the minimum score is 60-78.
- Evidence of previous studies undertaken overseas in an English Speaking country
- Evidence of previous studies undertaken in English in a non-English speaking country, and confirmation from institution that studies were conducted and examined solely in the English language.

BA (Hons) Integrated Health and Social Care
Programme Code: HS157A

Manchester Metropolitan University, UK
Application Code: 1865-HS157A

2975 5687 | nursing.health@hkuspace.hku.hk

The programme provides an up-to-date curriculum, drawing upon regional expertise and national and international research, and prepares students to take up employment in the integrated care sector, and for embedding research-informed learning. Students will develop personal, professional and academic skills for practice in an effective and respectful way, with other professionals, communities and individuals who are living with multiple and complex issues that affect their health and wellbeing.

R Applicants should:
- hold a Higher Diploma in Health and Social Care awarded within the HKU system through HKU SPACE or a relevant Higher Diploma in a related discipline awarded by a recognised institution; and
- pass in GCSE English Language and Mathematics at grade C/4 or local equivalent, e.g. DSE English and Mathematics at Level 2.

Applicants with other equivalent English proficiency tests, e.g. IELTS: Score 6.0 with no element below 5.5, will be acceptable.

Applicants with other qualifications and currently working in health and social care related fields will be considered on individual merit.

Applications will be considered in accordance with Manchester Metropolitan University's Recognition of Prior Learning procedure.
