Centre for Logistics and Transport

The logistics and transport industries are vital to the economy of Hong Kong. The Centre for Logistics and Transport was established with the aim of providing training and development for students and professionals, while maintaining close links with the industry to understand their requirements and sustain continuous growth. The Centre collaborates closely with professional bodies in organising conferences, seminars, forums and visits, and offers advisory/consultancy services to the logistics and transport industries. The Centre has been appointed by the Secretary for Education to be the Recognition of Prior Learning (RPL) Assessment Agency for the Logistics industry as well as Import and Export industry under HKQF with effect from March 2017 and September 2018 respectively.
