ARTW2011 Students of Certificate in Foundation Art and Design

3762 0087

ivy.yu@hkuspace.hku.hk

Design your own graphic tee, typography, logo, invitation card, poster, leaflet, packaging or branding…?

More and more people like to make their own designs. The basic design skills and aesthetic ability always benefit you whether personally or professionally. Besides introducing graphic design history, theory and printing process, the course also covers fundamentals of effective design by presenting basic principles of graphic design – line, form, colour, type and composition.

Students will get inspiration through some non-digital-based design exercises – from brainstorming, through idea development to layout presentation.
