Pathways to Undergraduate and Postgraduate Studies in Information Technology

MSc Cyber Security

Programme Code: IT065A

Manchester Metropolitan University, UK

Application Code: 1945-IT065A

☎ 2975 5781

✉ alice.wong@hkuspace.hku.hk

The programme aims to provide students with the skills to design, implement and manage computer-based systems security, using software and networking technologies.

The programme also includes the basic, key elements of forensic computing: forensics and the legal and ethical issues involved in any digital investigation.

- R** Applicants shall:
- hold the Postgraduate Diploma in IT Forensics awarded within the HKU system through HKU SPACE; or
 - hold the Postgraduate Diploma in Information Technology awarded within the HKU system through HKU SPACE; or
 - hold a second-class UK Honours degree (or international equivalent) in a computing-related subject
- And
- provide evidence of English proficiency if their bachelor degree is from a university where the teaching medium is not English, such as:
1. an overall band of 6.5 or above with no subtests lower than 5.5 in the IELTS; or
 2. a score of 575 or above in the paper-based TOEFL, or a score of 230 or above in the computer-based TOEFL, or a score of 80 or above in the internet-based TOEFL; or
 3. HKALE Use of English at Grade E or above; or
 4. HKDSE Examination English Language at Level 3 or above; or
 5. equivalent qualifications.

Postgraduate Diploma in IT Forensics

Programme Code: IT014A

Application Code: 1950-IT040A

2975 5781

alice.wong@hkuspace.hku.hk

This programme will provide professionals with an excellent opportunity to enhance their forensics IT knowledge for developing their career as a crime laboratory analyst, forensic engineer and crime scene examiner. Graduates from IT, business or accounting are encouraged to enrol in this programme.

- R** Applicants shall:
- (a) (i) Hold a bachelor's degree in a related discipline (e.g. Computer Science, Information Technology, Business Systems) awarded by a recognized university;
 - or
 - (ii) Be practitioners with 5 years or more experience in the related field and hold recognized professional qualifications in the relevant discipline. (Practitioner includes IT/Computer engineer, Accountant/Forensic accountant, Auditor, Lawyer/Judiciary, Forensic scientist/Laboratory specialist, IT security professional, Senior Executive/CIO/IT manager);
- and
- (b) Provide evidence of English proficiency (if the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English), such as
 - HKALE Use of English at Grade E or above; or
 - HKDSE Examination English Language at Level 3 or above; or
 - An overall band of 6 with subtest lower than 5.5 in the IELTS; or
 - A score of 550 in the paper-based TOEFL or a score of 213 in the computer-based TOEFL or a score of 80 in the internet-based TOEFL; or
 - equivalent qualifications

Bachelor of Science (Honours) Computer Networks

Programme Code: IT019A

Middlesex University, London, UK

Application Code: 1950-IT019A

3762 0051

jessie.cai@hkuspace.hku.hk

This bachelor's degree programme (Bsc) is designed to equip students with practical skills and technical knowledge about computer communications, systems and networks. This bachelor degree programme also prepares graduates for a range of careers within the international computer networking industry for employment such as computer network engineers, designing, analysing and developing networks in both large and small organisations; or as managers involved in maintaining and developing computer networks to meet current and future operational and security requirements.

- R** For entry to Year 1, applicants shall hold:
- i) a Certificate or Diploma in Information Technology related area; OR
 - ii) an equivalent academic qualification approved by Middlesex University

For direct entry to Year 2, applicants shall hold:

- i) an Associate Degree or a Higher Diploma in Information Technology related area awarded within the HKU System through HKU SPACE; OR
- ii) an equivalent academic qualification approved by Middlesex University

Note: Applicants with relevant work experience will be considered on individual merit.

BSc (Hons) Computer and Information Security

Programme Code: IT053A

University of Plymouth, UK

Application Code: 1950-IT053A

NCR

☎ 3762 0842

✉ bscis@hkuspace.hku.hk

Cyber security is now widely recognised as an international priority, with hacking, malicious code, and data theft being just three of the many reasons why its vital in the design, development and implementation of today's IT systems. Unlike traditional bachelor's degree programme (BSc) in Computer Science, this bachelor degree programme (BSc) in Computer and Information Security delivers a view of security threats and solutions, alongside an essential background in wider IT topics and technology. This is particularly important in light of the national Cyber Security Strategy and the current shortage of related skills in the marketplace.

- R** Applicants should:
- (a) Hold an Advanced Diploma in Computer and Information Security or a Higher Diploma in Information Technology awarded within the HKU system through HKU SPACE;
OR
 - (b) Hold a IT-related Associate Degree awarded within the HKU system through HKU SPACE or a Higher Diploma or an Associate Degree in IT-related disciplines awarded from other tertiary institutions, recognized by University of Plymouth;
- AND**
2. Provide evidence of English proficiency:
 - (i) HKDSE English Language at Level 2;
 - (ii) HKCEE English Language at Level 2;
 - (iii) HKCEE English Language (Syllabus B) at Grade E (Grade C in the case of English Language (Syllabus A));
 - (iv) an overall band of 6.0 or above in the IELTS or a score of 500 in the paper-based TOEFL, a score of 173 in the computer-based TOEFL and a score of 4.5 in the Test of Written English.

* According to University of Plymouth regulation, mature students and applicants with other equivalent qualifications will be considered on a case-by-case basis.

- \$** HK\$97,000 in four instalments (Year 2: HK\$40,000; Year 3: HK\$57,000)
 Application Fee: HK\$150

Advanced Diploma in Computer and Information Security

Programme Code: IT051A

Application Code: 1945-IT051A

☎ 3762 0842

✉ judy.cheung@hkuspace.hku.hk

Advanced Diploma in Computer and Information Security aims to enhance students comprehension of fundamental concepts, principles and theories in computer and information security which has been spurred by the pervasive use of computer-based applications such as information systems, databases, and computer programming. Students are also given an understanding of computer systems and architecture, access control mechanisms, cryptography algorithms, software security, physical security, security management and risk management as well as computer forensic technology.

- R** Applicants shall:
- (a) have gained in the HKDSE Examination Level 2 in 5 subjects, including English Language; or
 - (b) have gained in the HKALE Grade E in 1 AL or 2 AS subjects, and HKCEE Level 2 in English Language* or equivalent; or
 - (c) be aged at 21 or above with at least 1 year relevant work experience.

* With effect from 2007, HKU SPACE recognises Grade E previously awarded for English Language (Syllabus B) (Grade C in the case of English Language (Syllabus A)) in the HKCEE as an acceptable alternative to Level 2 in this subject in the HKCEE.
