2867 8409
excert_programme@hkuspace.hku.hk

A virtual bank is a bank which predominantly delivers retail banking services through the internet or other forms of electronic channels instead of physical branches. This covers all online transactions whether via the web, email, mobile check deposit and ATM machines. This is different from the ubiquitous internet-based option offered by regular banks through online banking.

R Applicants shall hold:
(i) a bachelor’s degree awarded by a recognized university or equivalent; or
(ii) an Associate Degree / a Higher Diploma or equivalent, and have at least 2 years of work experience.

Applicants with other qualifications and substantial senior level work experience will be considered on individual merit.
