This Programme aims to meet the continuing education and professional development needs of those who have considerable work experience in logistics and supply chain industries, or those who are interested to develop a career in these industries. It also aims to enhance the professional competence of students with knowledge and technical capability to deal with the current issues in international trade, supply chain, logistics, e-commerce and procurement.

Upon the completion, students may apply for admission to the top-up Master programme in International Logistics and Supply Chain Management offered by University of Plymouth, UK.

- R** Applicants shall:
- hold a bachelor's degree or equivalent professional qualification(s) in a relevant discipline awarded by a recognized institution; AND
 - have two years of full-time work experience in related industries.

If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency, such as:

- (i) an overall band of 6.0 or above with no subtests lower than 5.5 in the IELTS; or
- (ii) a score of 550 or above in the paper-based TOEFL, or a score of 213 or above in the computer-based TOEFL, or a score of 80 or above in the internet-based TOEFL; or
- (iii) HKALE Use of English at Grade E or above; or
- (iv) HKDSE Examination English Language at Level 3 or above; or
- (v) equivalent qualifications.

Applicants with other qualifications or mature students with substantial relevant professional and work experiences will be considered on a case-by-case basis.

供應鏈管理

Bachelor of Arts (Hons) International Trade and Operations Management

Programme Code: MS014A

Application Code: 2045-MS014A

D 2867 8393

This programme is in collaboration with the Plymouth University, UK. It aims to develop your understanding of current management issues through contemporary case studies, government legislation and philosophical, ethical and environmental debates. You'll increase your knowledge of issues in the global supply chain involving logistics, customer service and transportation, and undertake a research module introducing you to the research process and sources of data used in international logistics. It is practically designed for those who are interested in or working in the logistics industry, and many of its graduates are presently employed in global shipping and logistical businesses.

For details, please refer to the common information below.

Bachelor of Science (Hons) International Supply Chain and Shipping Management

Programme Code: MS013A

Application Code: 2045-MS013A

D 2867 8393

This programme is in collaboration with the Plymouth University, UK, and you'll study a range of topics affecting the global supply chain industry and develop management skills it demands. Deepening your understanding of international supply chain and shipping management, you'll engage with environmental and ethical debates, technological developments and government legislation, all of which impacts a manager's responsibilities and decisions. Many graduates are presently employed in global logistical businesses.

Eligible students can apply "MATF" offered by Transport and Housing Bureau, HK government, for 80% fee refund after completing approved modules, subject to a cap of \$30,000.

For details, please refer to the common information below.

Bachelor of Science (Honours) Maritime Transport and Logistics

Programme Code: MS079A

Application Code: 2045-MS079A

D 2867 8393

This programme is in collaboration with the Plymouth University, UK, and you'll be introduced to key elements of national maritime policies, governance and operations around port and transport activities, international logistics and developments in these areas – all within the context of globalisation and for better understanding of developments of ports and terminals. It is practically designed for those who are interested or working in shipping, maritime-related and logistics industry.

Eligible students can apply "MATF" offered by Transport and Housing Bureau, HK government, for 80% fee refund after completing approved modules, subject to a cap of \$30,000.
